

erika karitnig  
consulting • coaching • moderation

### **About me**

I am a passionate consultant and coach, fulfilling my profession according to the following principles: openness, respect, efficiency, solution- and resource-orientation. I work analytically and individually focussed – while regularly stepping aside and looking at the big picture - the whole system. My goal is being your and/or your company's companion on the way to sustainable success. Therefore we work out tailor made solutions and strategies for you, your company and stakeholders.

### **My consulting focus**

Consulting companies and organizations on subjects such as strategy, communication and change.

Coaching chief executive officers, managers and employees in their roles as a person, a manager & leader, a change agent or a decision maker.

Moderating events & discussions as well as speaking to topics within the field of consulting & organisational development as well as capital markets & behavioral finance.

### **My educational background**

academic education in coaching, organizational development and personnel development

studies of economics at Vienna University for Economics & Business Administration

certified portfolio manager

education and trainings in systemic consulting and systemic structural constellation

### **My professional background**

consultant, coach & moderator, entrepreneur

many years of experience in management positions in the financial industry  
(chief investment officer, division manager)

many years of experience in professional roles as fund manager, analyst and client relationship manager in the financial industry.
